

Age Concern Nelson Tasman Community Group Fund

Age Concern Nelson Tasman has established a Community Group Fund with the Top of the South Community Foundation to support older people to age with dignity, independence and connection for generations to come.

Age Concern Nelson Tasman is the region's leading charity dedicated to the wellbeing of older people. Through a small professional team and trained volunteers, we help older people and their whānau stay safe, informed, respected, and connected to community life.

We provide trusted advice, our accredited Visiting Service to reduce loneliness, care relief for older carers, and community programmes that promote wellbeing and independence.

We also offer specialised support to prevent and respond to elder abuse - ensuring every older person in Nelson Tasman is treated with the dignity and respect they deserve.

Your donation to the Age Connect Fund helps us create the connections and practical support that strengthen safety, reduce isolation, and help older people live well in their own community.

"Creating connections and practical support that strengthen safety, reduce isolation, and help older people age with dignity in Nelson Tasman."

Age Connect Fund

The Age Connect Fund has been established with the Top of the South Community Foundation to support long-term funding needs. When you donate, your gift is professionally invested by the Foundation, with the income generated going directly to Age Concern Nelson Tasman to support older people to age with dignity in Nelson Tasman - in perpetuity.

Every gift counts. As the fund grows, so does the impact on older people in our community.
