

Clifton Terrace School Community Group Fund

Clifton Terrace School has established a Community Group Fund with the Top of the South Community Foundation to create a lasting legacy for current and future students.

Launched in late 2022 through the vision of a generous donor, the Clifton Terrace School Legacy Fund is a sustainable way to support current and future students with opportunities beyond regular Government funding or Home & School fundraising.

The Legacy Fund helps ensure Clifton Terrace School children have the very best start to intermediate, college, and life beyond - opening doors to experiences that may spark lifelong passions.

Over time, the fund aims to support scholarships in music, arts, drama, languages, higher education, and sport, as well as excellence in STEM, wellbeing, resilience, financial literacy, and broader skills development.

Together, we can make a lasting difference for the children of Clifton Terrace School - to ensure they have access to resources and opportunities.

"Creating a long-term fund to assist the school's financial sustainability - together we can make a lasting difference."

Every gift counts. As the fund grows, so does the impact on tamariki at Clifton Terrace School.
