

LifeLinc Counselling Community Group Fund

Top of the South
COMMUNITY FOUNDATION
Tē Tauihu

LifeLinc Counselling has established a Community Group Fund with the Top of the South Community Foundation to ensure another 50 years of counselling support for our community.

Life Linc's contribution to our community is in providing access to a professional service for people who would not otherwise be able to afford it or access it through other avenues. Supporting clients of all demographics, from the age of 18 to 70+ years.

We believe that all people are to be valued, and that they can change, grow, and make positive changes in their lives through self-awareness.

We also provide a supportive space for in-training and newly qualified counsellors to hone their skills and build self-confidence.

By establishing this fund, we are continuing the LifeLinc vision of providing a caring, confidential, non-judgemental and client-focused counselling service to all those who seek it.

LifeLinc Counselling Fund

The LifeLinc Counselling Fund has been established with the Top of the South Community Foundation to support long-term funding needs. When you donate, your gift is professionally invested by the Foundation, with the income generated going directly to LifeLinc to provide access to professional counselling service for people in Nelson-Tasman - in perpetuity.

Every gift counts. As the fund grows, so does the impact on people seeking counselling support.

About Top of the South Community Foundation

The Top of the South Community Foundation exists to strengthen the long-term wellbeing of Te Taihū by ensuring generosity given here continues to serve the community for generations.

We partner with generous donors who want to give back to the place and people they care about most. Every donation is respected, protected, and carried forward with care and integrity.

Community Foundations are local, independent, and not-for-profit - following a well-established model of giving that has grown worldwide for more than 100 years, now present in 18 regions across New Zealand.
